

FAMILY UNIVERSITY

TECHNOLOGY TO SUPPORT LEARNING

We will continue focusing on using technology to support learning and also will focus on best mathematical practices. As parents, we often stress about how to parent our children in today's digital world. Together, we will discuss resources to assist with homework as well as learn how to safely transition to the digital world!

Thursday, March 3rd
Pleasant Grove Elementary
630 Pleasant Grove Rd.
Inverness, FL 34452

Tuesday, March 15th
