Dear Parents and Families,

The blooming of flowers and the renewed growth of the lawn signals the arrival of Spring. That means we have moved into the last nine-weeks of the 2018-2019 school year. It seems like just yesterday we were opening the doors as we welcomed students back to school.

The last nine weeks is a busy time of year. Our teachers are busy working with students to make certain all grade level standards are met. Students are hard at work strengthening their ability to read, understand and respond to grade level text. They continue practicing applying math computation skills in order to solve multi-step word problems. Students are informed about the world around them through their work mastering the Science and Social Studies standards. Together our students and teachers are fo-

cused on learning until the very last day of school.

Thanks for all that you do to support your child and Hernando Elementary School.

The 2018-2019 Exceptional Student Education (ESE) Parent Survey will be open from February 1 to May 31, 2019. While paper surveys were provided for parents of all children receiving special education services, an online version is also available at www.esesurvey.com. Please take a moment to provide feedback by completing this survey. The valuable information you give us will help us make decisions on the effectiveness of our services in meeting the needs of our students. Thank you for your time!
